- Related by blood
You are applying for an amount between £500 and £15,000 for a project that will be finished in 12 months.

You can also apply for one off events such as a festival, gala or conference.

You are applying for funding to pay for things you have <u>not</u> already spent money on.

Before you apply, check the boxes to agree:

You are an ethnic minority-led group or organisation based in Scotland supporting ethnic minority people or communities.

You have a UK bank account or building society in the legal name of your organisation.

This must have 2 or more people that can agree on payments who are:
- Not married
- In a civil partnership
- In a relationship
- Living together at the same address

This will usually be the same as your organisation's name on your governing document.

A **governing document** is a legal document that acts as a rule book for your organisation. It should say what the organisation wants to do and how they are going to do it.

You make annual accounts. This means that someone has written about how your organisation spends its money.
If you are a small organisation, this may not be made by your board and does not have to be done by an accountant.

If you set up your organisation less than 15 months ago, it is ok if you have not made annual accounts yet.
