Check to see if your organisation can apply

You can apply if your organisation is a:

- voluntary or community organisation
- registered charity
- constituted group or club
- not-for-profit company or Community Interest Company

Who we can't accept applications from:

- individuals
- sole traders
- schools
- statutory bodies
- companies that can pay profits to directors, shareholders or members (including Companies Limited by Shares)
- organisations based outside the UK
- organisations that have already sent a Ethnic Minority Development Fund application and are waiting for a decision
- organisations that don't have at least two people on their board or committee who aren't married, in a long-term relationship, living together at the same address, or related by blood.
- one organisation applying on behalf of another. Be careful of businesses or individuals who say they can help you with your applications. If you need help or advice on writing your applications, please contact Nadeem on nadeem.hanif@cemvoscotland.org.uk or your Third Sector Interface (TSI).

If you're a smaller organisation

We're keen to fund smaller organisations too. So we'll look at your income when we're making a decision.

Before you apply, check the boxes below to confirm:

Your organisation has at least two people on the board or committee who aren't married, in a relationship, living together at the same address, or related by blood.

You're applying for an amount between £200 and £20,000 for a project that'll be finished in around 12 months. We also consider applications for one-off events such as a festival, gala, etc).

Your project starts at least 16 weeks from when you plan to send us your application. We need 16 weeks to assess your application and pay your grant.

You have a UK bank account or building society account in the legal name of your organisation, with at least two unrelated people who are able to manage the account. This should be the legal name of your organisation as it appears on your bank statement, not the name of your bank. This will usually be the same as your organisation's name on your governing document.

You produce annual accounts (or you set up your organisation less than 15 months ago and haven't produced annual accounts yet). By annual accounts, we mean a summary of your financial activity. If you're a small organisation, this might be produced by your board and doesn't have to be done by an accountant.

If you meet all of these requirements – great. You can apply for Ethnic Minority Development Fund.

We're excited to hear more about your project idea and invite you to fill in our application form.

If you've checked that you can apply but don't meet these requirement.

We don't want organisations to miss out on the opportunity to apply for funding for their project idea. We would welcome organisations to apply if they are able to meet the above criteria in the future.

Tell us the city, town(s) or village(s) where the people who will benefit from your project live?

What is the full postcode of the location where your project will take place?

Project idea

What would you like to do?

Tell us about your project idea (**Minimum 50 words / Maximum 300 words**)

Here are some ideas of what to tell us about your project:

- What you would like to do.
- What difference your project will make.
- Who will benefit from your project.
- How long you expect to run your project for. This can be an estimate.
- How you'll make sure people know about your project.
- How you plan to learn from your project and use this learning to shape future projects.
- Is your project something new, or are you continuing something that has worked well previously? We can fund both new and existing projects.

**How does your project meet at least one of our funding priorities?
(Maximum 300 words)**

Funding priorities are guidelines we use to decide who should get funding. Your project must fit **one or more** of our priorities as shown below:

- To bring ethnic minority people together and build strong relationships in and across communities
- To help more ethnic minority people to be the best they can be, by supporting them as soon as possible.
- To improve the places and spaces that matter to ethnic minority communities

How does your project involve your community?

(Maximum 300 words)

People understand what's needed in their own communities better than anyone.

Tell us how your community came up with the idea for your project. We want to know how many people you've spoken to, and how they'll be involved in the development and delivery of the project.

Here are some examples of how you could be involving your community:

- having regular chats with community members, in person or on social media.
- including community members on your board or committee.
- carrying out regular surveys of your community members.
- setting up steering groups involving community members.
- running open days, inviting your community members to attend.

Project Costs

Please list the costs you would like us to fund on the following page.

You should use budget headings, rather than a detailed list of items.

For example, if you're applying for pens, pencils, paper and envelopes, using office supplies is fine. Below is an example of how to fill this section out.

EXAMPLE

Office Supplies	£	450

IT Costs	£	850
Marketing	£	500

Tell us the total cost of your project

This is the cost of everything related to your project, even things you aren't asking us to fund.

For example, if you are asking us for £8,000 and you are getting £10,000 from another funder to cover additional costs, then your total project cost is £18,000. If you are asking us for £8,000 and there are no other costs then your total project cost is £8,000.

Part three

Who will benefit from your project?

Specific groups of people

We want to hear more about the people who will benefit from your project. It's important to be as accurate as possible in your answers. Please note, the information you give us here isn't assessed and won't be used to decide whether you'll be awarded funding for your project.

Is your project open to everyone or is it aimed at a specific group of people?
